Welcome

This booklet is designed to inform partners or potential partners about HarvestNet International and what it means to be a member of the HarvestNet International family. It describes the vision, values, and family life of HarvestNet International. HarvestNet is a partnership of churches, ministries, and businesses that have chosen to work together in God's harvest field. Our partners are not centrally governed, but we experience many benefits through our relationships with each other.

You are welcome to join us for any of our events or meetings to experience firsthand what you will read about in upcoming pages. For our Pennsylvania partners, HarvestNet holds monthly meetings the third Wednesday of every month at Ephrata Community Church. These meetings are broadcast on the web so partners can participate from anywhere in the world. Fellowship and refreshments are available in the Ephrata Community Church Banquet Hall starting at 9:30 a.m. The meeting begins at 10:00 a.m. and concludes by 11:30 a.m. Following the meeting, many partners stay for lunch and fellowship.

If you connect with our family and find our vision and values a good fit for you or your organization, please consider formally partnering with us for the harvest. You can find an application at HarvestNetinternational.com, which you can complete and return to the HarvestNet office. Please contact us with any questions you may have or to discuss what involvement in HarvestNet would look like for you or your ministry. You can reach us on 717.690.1334 or at harvestnetintl@gmail.com.

Sincerely,

President
Barry Wissler

History of HarvestNet

At an Ephrata Community Church retreat in 1990, God spoke very clearly through a prophetic word that said “in the fourth year, I will pour out my Spirit.” The church had just chosen to model itself after the early church of Antioch and took on a call to prepare for harvest based on the four-year prediction. The elders of ECC, agreeing that this was from God, concluded that by 1994 they should begin to prepare for the harvest by planting a church.

In the spring of 1994, ECC planted its first sister congregation, and **HarvestNet** was born to foster a partnering relationship between the two congregations. Barry Wissler, senior pastor of ECC, continued to provide guidance to the church plant’s founding pastor, and ECC also provided other resources to strengthen the growing flock. In 1997, another prophetic word confirmed the role of ECC as a “resource church,” and the next year two more congregations were planted, which is a trend that has continued. We planted a new church south of Lancaster City called Threshold Church in 2009, a Spanish-speaking church in Lancaster City called Vida Church International in April 2010, and a church in Annville called Lifeway Church in September 2015.

In addition to the churches planted, God connected us to others from a variety of ministries, and our tiny network grew. Outside churches asked to partner with us, and prophets and evangelists with Ephesians 4 ministries began to sense a call to partner for the sake of the harvest.

In 1999, the apostolic ministry of Alan Vincent confirmed the work of **HarvestNet**. Alan began to assist Barry and the elders of ECC in refining their focus as a regional equipping church. Alan continues to provide apostolic input, not only into ECC, but also to **HarvestNet**. Marc Dupont was also recognized as an advisor to **HarvestNet** because of his prophetic ministry to the network. In 2013, Larry Kreider joined the oversight team for **HarvestNet**, bringing wisdom from his experience in leading an international network of churches.

Because we value regional transformation, we also began several multichurch ministries under **HarvestNet’s** banner. The Kingdom Ministry School, originally known as the Equipping Institute, launched in the fall of 2005 to train leaders for ministry in the church and marketplace. KMS has served more than 1,400 people from 140 churches who have taken classes. Gateway House of Prayer began in 2006 to honor God with prayer and worship and is now going 24/7. The prayer room is staffed by volunteers from more than 40 local churches. The Gift International was launched in 2009 to coordinate mission partnerships to minister to the poorest of the poor in India by caring for orphans, installing clean water systems, and feeding the hungry. In 2013, **HarvestNet** launched HarvestSENT as a vehicle for supporting and empowering Ephesians 4 ministers and missionaries serving within **HarvestNet** or its many partners. In 2015, **HarvestNet** started its most recent ministry, **HarvestNet** Ministry Rooms, providing prayer for healing, deliverance, and prophetic ministry.

In May 2012, we changed our name to **HarvestNet International** to reflect the growing interest in our network and its continued expansion globally. **HarvestNet** continues to grow in Europe, India, and the Philippines. Leadership teams are being developed in each continent where there are clusters of partner churches and ministries.

In 2016, the school in USA was redesigned and named The **HarvestNet** School of Supernatural Ministry in order to train workers for the harvest. Today over 250 individuals and organizations have partnered with **HarvestNet** to join our vision.

Guiding Statements

Purpose or Mission

HarvestNet International is a family of partners who exist to advance the Kingdom of God by working together to fulfill the Great Commission.

HarvestNet International: Working together to fulfill the Great Commission

- HarvestNet School of Supernatural Ministry: Equipping to fulfill the Great Commission
- The Gift International: Serving to fulfill the Great Commission
- HarvestSENT: Sending to fulfill the Great Commission
- HarvestNet Ministry Rooms: Prayer ministry to fulfill the Great Commission

Core Values

1. The Presence of God

HarvestNet values the intimate presence of the living God. We believe God is a relational God who delights in meeting with us and loves when we spend time with Him.

We believe worship and prayer are integral to creating an atmosphere where the presence of God breathes forth power and reveals the glory of God on earth. We believe in the omnipresence of the Holy Spirit, but also that we are stewards of His presence when He chooses to meet with us in a significant way. In the Old Testament, King David paid worshipers to attend to God and steward His presence. We simply believe that Jesus is worthy of our worship (Revelation 4:11).

We believe that Jesus invites us to join Him in His ministry of intercession. It is in being with Jesus that we catch His heart and are empowered to intercede and act so that His Kingdom will come on earth “as it is in Heaven.”

2. The Kingdom of God

HarvestNet values the increase and expansion of the Kingdom of God. We honor Jesus Christ as the worthy King, and we seek to surrender to the governing laws, morals, principles, power, and values of the Kingdom of God. We seek to take the Kingdom of God “from the secret place to every place.”

The Kingdom of God is central to all of Christ’s teachings that He taught His apostles and can be summed up in the following descriptions:

- Kingdom Character, Culture and Values: Love God. Love people. Live in faith. Live obediently. Live eternally focused.
- Kingdom Process: This is simply “being with Jesus.” Jesus taught His disciples to wait until they were endued with power from on high via the Holy Spirit being poured out BEFORE they engaged in fulfilling their mandate—to take the Kingdom of God to the nations through the preaching of the gospel. We can be with Jesus in living encounters with Him through time in prayer, worship, meditation on the Scriptures, and simply “waiting until” He releases fresh guidance from His Spirit and daily power on our hearts.
- Kingdom Power: This is the imparted effect and end result of being with Jesus. The apostles were taught to bring the Kingdom of God through demonstration of the Holy Spirit’s power. They were not permitted to testify of the Kingdom of God without the Holy Spirit’s enablement. Good oratory skills are not a sufficient substitute for God’s power to effectively establish the Kingdom of God “on earth as it is in Heaven.” At its heart, God’s

power manifests to minister to the oppressed, set captives free, and ultimately reveal a “kingdom not of this world.”

- Kingdom Purpose: The Great Commission . . .
 - Proclaiming the gospel of Christ through evangelism
 - Making disciples of the nations through teaching the Word of God and equipping the saints to do the work of the ministry
 - Contending for the faith through spiritual warfare and doctrinal purity
 - Influencing and impacting society in “gates of influence” referred to as the Seven Mountains

3. The Word & Spirit

HarvestNet values the Word of God as contained in the Scriptures and in the Scriptures’ partnership with the Holy Spirit in all dynamics of ministry. Along with the Scriptures, God also leads us through the subjective voice of the Holy Spirit and practically ministers to us through His spiritual gifts.

Many times churches that stress the work of the Holy Spirit neglect sound doctrine. Churches may also focus on sound doctrine but neglect the work and voice of the Holy Spirit in this present age.

We value the Scriptures as the final authority in all areas of life and practical living. The Scriptures are our “Kingdom textbook” and all doctrine (i.e. spiritual things we believe), prophecy, teaching, and prayer are both inspired by and held accountable to its standards.

4. Authentic Relationships

HarvestNet values authentic relationships as the backbone of our network within the context of the rest of our values. This ‘authenticity’ implies that we want to know one another, in our weaknesses and our strengths, and grow with one another as we advance the Kingdom of God together.

We believe organizational structure is valuable to the degree that it serves and facilitates these kingdom relationships. The idea is “form serving function” or the organization serving the organism. HarvestNet will change or alter structure as needed to accommodate these authentic relationships.

At its heart, making disciples implies making spiritual family or “sons and daughters” through the gospel of Christ. Therefore, we value spiritual fathering and mothering as essential for healthy, kingdom-family growth.

5. Team Ministry

HarvestNet values doing ministry as a team. No one individual has everything the body of Christ needs. We need one another’s gifts. We simply are better together and work as a team in our ministries, in our regions, and across generations.

- Ministry Teamwork: We value all the ministry gifts as found in Ephesians 4 and the spiritual gifts described in 1 Corinthians 12 as being essential to the fulfillment of God’s purpose for the church on earth. It is imperative these gifts work together honoring and valuing one another.
- Regional Teamwork: To see a region or nation discipled and transformed will require the body of Christ in that region or nation to work together as a team to advance the Kingdom of God. HarvestNet is not a local church congregation but rather an international

parachurch ministry that supports the work and mission of local congregations and their collective regional expression.

- **Multigenerational Teamwork:** In 1 John 2:12-14, three generations of spiritual maturity are described: fathers and mothers, young men and women, and children. We believe and value these seasons of life's spiritual journey and believe God intends for all three generations to work together in teamwork. We value the wisdom of those who have lived life and have gone before us as spiritual fathers and mothers. We value the creativity, energy, and zeal of the young men and women. We recognize the need to perpetuate the things God has taught us and seek to birth, train, and equip spiritual children.

6. Health

HarvestNet believes the Kingdom of God is a place of health and vitality. Healthy leaders, healthy relationships, and healthy organizations reproduce healthy disciples.

- **Personal Health:** Healthy leaders make healthy ministries. This includes how a leader manages their time, their finances, and their physical body, their work ethic, and their "rest ethic." Personal health includes commitment to time with God in worship and prayer, study of the Scriptures, and input from others. Personal health includes devotion to ongoing training and personal growth to help them better serve those under their care.
- **Relational Health:** While we have mentioned the need for authentic relationships in a previous value, relationships—marriage, family, friends, and work relationships—need to be healthy. For relationships to thrive and grow, they must be free from one person seeking to control or impose their will on another. For relationships to be healthy, there must be freedom of communication in order to clearly hear one another's honest perspective.
- **Organizational Health:** Clear vision, measurable goals, and an energized staff are all important to organizational health. Organizational health is not too dissimilar from the personal health category mentioned above. To be healthy, it matters how organizations manage their time, their finances, and their staff care. It is also imperative that healthy decision-making processes are implemented and carried out with diligence. Healthy organizations have good organizational structures that serve the mission, vision, and values of the organization.

7. Local Church

The local church is God's primary vehicle for advancing the Kingdom of God. Therefore, HarvestNet values existing local churches and the continued establishment of new local churches as the primary means of Kingdom expansion.

All partners of HarvestNet are required to demonstrate their support of local churches by being a practically committed, submitted, and serving member of a local congregation of believers. We accept any gathering of believers in Christ, whether in a house church, a mega-church, or any size in-between, where there is definitive leadership of elders or pastors who give direction and oversight to the congregation. We do not recognize gatherings without defined leadership/eldership as a local church, although we affirm Jesus can be and is present in such gatherings.

Leadership and Governance

Since HNI is an international network, we have designed our governance to be shared among representatives from many nations. We also have leadership for the network in each region of the world to include proven leaders who live as close to the homes of our partners as possible. So, we have a multi-team approach as follows. We are building a team of Five-fold Ministries in each continent or region where we have a cluster of partners. In new regions, this team is led by our president while the team is shaped and regional leaders are identified. These teams then are all connected to the central International Apostolic Team that gives overall leadership to the movement globally. The Apostolic Team is a smaller executive team that is responsible for vision and overall governance. To assist them in remaining connected to the various regions there is an advisory council which is larger and is built with many representatives from the various regions. This larger council is involved in the development of strategy and implementation of the vision. Those who serve on the Advisory Council are appointed by the Apostolic Team and serve for two-year terms. Below you will find the role descriptions of each team and also the qualifications necessary for leaders to serve on those teams.

HarvestNet International Qualifications and Responsibilities for Various Council Leadership Roles

In order to serve our partners and provide leadership for the network, HNI maintains various teams working together with different leadership functions. HNI has one international executive leadership team, which is called the International Apostolic Council. There are also smaller branches of leadership called Regional Apostolic Teams. These will be formed around each cluster of partners in a region to care for them and to provide culturally relevant governance. HNI also gathers various advisory councils to supplement each leadership team. They will operate both internationally and regionally, providing a wider forum for processing decisions. Below is a description of some basic qualifications for serving on any of these teams.

Qualifications for serving in any HNI Leadership Team Role

1. Those with Godly and Biblical character qualities that are evidenced by a loving heart and attitude toward others, submission to authority, ability to work with others in a team, and a willingness to walk in the light with accountability to other team members.
2. Those who have demonstrated they carry a truly Kingdom perspective and global awareness of the purposes of God, and are willing to lead without putting their own interests before those of the Kingdom and HNI.
3. Those with a commitment to HarvestNet values, vision and policies and willing to maintain healthy relationships within the network.
4. Those with a commitment to the work of HarvestNet evidenced in regular giving of time and financial resources to the network as they are able.
5. Those who are effective ambassadors of HNI, representing us well to others, demonstrating a welcoming attitude to all, willing to build relationships with new partners, and to recruit and train additional HNI leaders when needed.

6. Those willing and able to make the necessary sacrifices to attend the needed leadership team meetings to fulfill their role.
7. Those who have demonstrated a willingness to participate in a consensus decision- making process, resolving differences in a Christ-honoring way for the benefit of the network.
8. Those who are willing to honor the current President and Apostolic Council of the network in matters within HNI, and related to its mission and work.
9. Those demonstrating an ability for wise governance of HNI and its mission, including its legal, financial and ethical integrity.
10. Those who have a sense of calling to serve HNI on a council, and having that call recognized by the Apostolic Council and others on their respective regional teams.

Responsibilities for members of the *HarvestNet International Apostolic Team.*

1. Select the President of HNI and other corporate officers each year.
2. Set the mission, vision and agenda for HNI annually in consultation with regional teams.
3. Act as the legal governing board of HNI as a US Nonprofit Corporation.
4. Appoint other HNI partners to fill all critical roles within the network including all those on the Regional Apostolic Teams and Advisory Councils
5. Oversee the hiring and dismissal of HNI staff at the network offices
6. Oversee any HNI ministries like Gateway, HNI School, Missions works etc.
7. Oversee the budget and financial policies of HNI.
8. Provide leadership for HNI in a consultative manner considering the needs of HNI partners and consulting the Advisory Council
9. Assist with the leadership and oversight of local churches and ministries as requested by the autonomous local leadership teams of those churches and ministries.
10. Mediate or Adjudicate any matters of dispute or need for discipline within HNI.
11. Attend team meetings, retreats and HNI events and some HNI regional summits as able.
12. Personally support the work of HNI with time and financial resources as able.

Responsibilities for members of any *HarvestNet Regional Apostolic Team*

1. Select their respective team leader in conjunction with the International Apostolic Team.
2. Set the mission, vision and agenda for their region of HNI annually, in keeping with HNI vision and values and in a way that protects HNI DNA.
3. Act as the governing and planning team of HNI work within their region. (This does not include governing individual churches or ministries)
4. Appoint other HNI partners to fill all critical roles within their region.
5. Oversee the hiring and dismissal of HNI staff in their region.
6. Oversee partnership and credential applications in their region
7. Oversee the budget and financial policies of HNI in their region.
8. Provide leadership for their region in a consultative manner, considering the needs of HNI partners and consulting any Advisory Council they create.
9. Select 2 of their members to represent their Regional Team to the HNI Apostolic Team.
10. Assist with the leadership and oversight of local churches and ministries as requested by the autonomous local leadership teams of those churches and ministries.
11. Mediate or adjudicate any matters of dispute or need for discipline within their region.

12. Attend any council meetings, retreats or events for their region as well as the international HNI summit.
13. Plan the annual summit in their region with the International Apostolic Team
14. Personally support the work of HNI with time and financial resources as able.

Responsibilities of members of any *HNI Advisory Council* (international or regional)

1. Provide a larger council of advice for their respective Apostolic Team
2. Assist the Apostolic Council in its work within their region
3. Attend the council meetings, retreats or events as well as some HNI summits as able.
4. Personally support the work of HNI with time and financial resources as able.
5. Act as ambassadors for HNI in welcoming and caring for new partners.
6. Assist the International Apostolic Council in raising the funds needed to operate the network by promoting HNI support in their sphere of influence

Statement of Faith

1. WE BELIEVE that only the 66 books of the Christian Bible are the inspired, inerrant, and authoritative Word of God. Therefore, the Bible is the final authority for all we believe and how we are to live (Matthew 5:18; John 10:35 and 17:17; 2 Timothy 3:16-17; 2 Peter 1:20-21).
2. WE BELIEVE in the one true God who has revealed Himself, distinguishable but indivisible, as existing eternally in three persons: Father, Son, and Holy Spirit. These, being one God, are equal in deity, power, and glory (Matthew 28:19; Luke 3:21-22).
3. WE BELIEVE that God created the world and also now upholds, sustains, governs, and providentially allows or directs all that exists. He will bring all things to their proper consummation in Christ Jesus to the glory of His name.
4. WE BELIEVE that Satan, originally the great and good angel Lucifer, rebelled against God, taking a multitude of angels with him. He was cast out of God's presence and is at work with his demonic hosts to establish his counter-kingdom of darkness, evil, and unrest on Earth. Satan was judged and defeated at the cross of Christ and will, at the end of the age, be cast forever into the lake of fire which has been prepared for him and his angels (Isaiah 14:10-17; Ezekiel 28:11-19; Matthew 12:25-29, 25:41; John 12:31 and 16:11; Ephesians 6:10-20; Colossians 2:15; 2 Peter 2:4; Jude 6; Revelation 12:7-9, 20:10).
5. WE BELIEVE that the human race was originally created by God in His image, righteous and without sin, until sin entered by disobedience and rebellion, leaving humanity totally incapable of saving itself. In consequence of his disobedience, Adam's posterity are born subject to both imputed and inherent sin and are therefore by nature and choice the children of wrath, justly condemned in the sight of God and wholly unable to save themselves or to contribute in any way to their acceptance by God (Genesis 1-3; Psalm 51:5; Isaiah 53:5; Romans 3:9-18, 5:12-21; Ephesians 2:1-3).
6. WE BELIEVE that Jesus Christ is God incarnate, fully God and fully man, that He was conceived and born of a virgin, lived a sinless life, and offered Himself as a legal, sacrificial substitution for sinners. By His blood shed at the Cross, He obtained for us eternal redemption, the forgiveness of sins, and life everlasting. He was raised bodily on the third day and ascended to the right hand of the Father, there to forever make intercession for the saints (Matthew 1:18-25; John 1:1-18; Romans 8:34; 1 Corinthians 15:1-28; 2 Corinthians 5:21; Galatians 3:10-14; Ephesians 1:7; Philippians 2:6-11; Colossians 1:15-23; Hebrews 7:25, 9:13-15 and 10:19; 1 Peter 2:21-25; 1 John 2:1-2).
7. WE BELIEVE that salvation is by grace alone, through faith alone, in Christ alone. No ordinance, ritual, work, or any other activity on the part of man is required or accepted in order to be saved. This saving grace of God, through the power of the Holy Spirit, also sanctifies us by enabling us to do what is pleasing in God's sight in order that we might be progressively conformed to the image of Christ (John 1:12-13, 6:37-44, 10:25-30; Acts 16:30-31; Romans 3-4 and 8:1-17, 31-39, 10:8-10; Ephesians 2:8-10; Philippians 2:12-13; Titus 3:3-7; 1 John 1:7, 9).
8. WE BELIEVE that the Lord Jesus Christ baptizes believers in the Holy Spirit, in whom we are also sealed for the day of redemption. The Holy Spirit regenerates, forever indwells, and graciously equips the Christian for godly living and service. Subsequent to conversion, the Spirit desires to fill,

empower, and anoint believers for ministry and witness. We also believe that signs and wonders, as well as all the gifts of the Spirit described in the New Testament, are operative today and are designed to testify to the presence of the Kingdom and to empower and edify the church to fulfill its calling and mission (Matthew 3:11; John 1:12-13, 3:1-15; Acts 4:29-30; Romans 8:9, 12:3-8; 1 Corinthians 12:12-13; 2 Corinthians 1:21-22; Galatians 3:1-5; Ephesians 1:13-14, 5:18).

9. WE BELIEVE that water baptism and the Lord's Supper are the two ordinances of the church to be observed until the time of Christ's return. They are not a means of salvation but are channels of God's sanctifying grace and blessing to the faithful in Christ Jesus (Matthew 26:26-29, 28:19; Romans 6:3-11; 1 Corinthians 11:23-34; 1 Peter 3:21).
10. WE BELIEVE that the church is God's primary instrument through which He is fulfilling His redemptive purposes in the earth. To equip the saints for the work of ministry, God has given the church apostles, prophets, evangelists, pastors, and teachers. We also affirm the priesthood of all believers and the importance of every Christian being joined with and actively involved in a local community of the saints. We believe that women, no less than men, are called and gifted to proclaim the gospel and do all the works of the Kingdom (Matthew 16:17-19; Acts 2:17-18, 42; Ephesians 3:14-21, 4:11-16; 1 Timothy 2:11-15; Hebrews 10:23-25; 1 Peter 2:4-5, 9-10).
11. WE BELIEVE that God has called the church to preach the gospel of Christ and make disciples of all nations. The church is especially called to remember the poor and to minister to their needs through sacrificial giving and practical service. This ministry is an expression of the heart of the Lord Jesus Christ and is an essential part of the Kingdom of God (Isaiah 58:6-12, 61:1; Matthew 5-7, 28:18-20; Luke 4:18, 21:1-4; Galatians 2:10; 1 Timothy 6:8).
12. WE BELIEVE in the literal second coming of Christ at the end of the age when He will return to earth personally and visibly to consummate His Kingdom. We also believe in and are praying for a great end-time harvest of souls and the emergence of a victorious church that will experience an unprecedented unity, purity, and power in the Holy Spirit (Psalms 2:7-9, 22:27-28; John 14:12, 17:20-26; Romans 11:25-32; 1 Corinthians 15:20-28, 50-58; Ephesians 4:11-16; Philippians 3:20-21; 1 Thessalonians 4:13-5:11; 2 Thessalonians 1:3-12; Revelation 7:9-14).
13. WE BELIEVE that when the Christian dies he or she passes immediately into the blessed presence of Christ, there to enjoy conscious fellowship with the Savior until the day of the resurrection and glorious transformation of the body. The saved will then forever dwell in blissful fellowship with their great triune God. We also believe that when the unbeliever dies, they are consigned to await the Day of Judgment when they shall be punished with eternal, conscious, and tormented separation from the presence of God in the lake of fire (Matthew 25:46; Luke 16:19-31; John 5:25-29; 1 Corinthians 15:35-58; 2 Corinthians 5:1-10; Philippians 1:19-26, 3:20-21; 2 Thessalonians 1:5-10; Revelation 20:11-15, 21:1-22:15).

USA Ministry Descriptions

HarvestNet School of Supernatural Ministry (HSSM)

exists to teach God's people to encounter God in their personal experience and empower them with the Holy Spirit in radical devotion to Jesus Christ. HSSM emphasizes hands-on training, personal experience, and academic biblical understanding. We are a multigenerational school with students ranging from the ages of 17 to 75. Partners are invited to use HSSM resources to equip people in their churches or ministries and to participate as HSSM instructors.

Visit the HSSM website at www.harvestnetssm.com

HarvestNet Ministry Rooms

The ministry rooms offer ministry to those in need of healing, prayer, deliverance, and prophetic ministry. Currently, the ministry rooms are open Tuesday's at 7:00 p.m. in the HarvestNet offices. Upon request, the teams provide ministry for churches and groups at other venues.

Global Ministry Descriptions

The Gift International (TGI)

is a Christian expression of love and aid to the poorest of the poor. Since Jesus Christ is the ultimate gift, our entire mercy ministry is done in His name through ministries who we personally know and trust. We seek to give and minister in ways that break the cycle of poverty and will bring the Kingdom of God on earth as it is in heaven.

The Gift currently provides opportunities for child sponsorships and clean water systems through partners in Kenya and India. We are working toward expanding opportunities for investment in education, microfinance, and saving programs in a variety of countries and desire to expand our outreach in ways that are locally sustainable and locally accountable. Partners are invited to use The Gift's relationships to advance their own ministry to the poor around the world.

Visit The Gift website at www.thegiftintl.org

HarvestSENT

SENT is the missionary arm of HarvestNet International. We believe the Holy Spirit anoints, calls, and gifts people to take the message of the gospel of the Kingdom into the entire world. We also believe that fivefold ministers (Ephesians 4) should be recognized, released, and empowered to exercise their equipping and building up of the body of Christ for works of service.

Through SENT, we release and empower both missionaries and fivefold ministers to labor in the harvest field. HarvestNet currently has SENT partners serving at Gateway House of Prayer and in local ministries in the Lancaster region.

Oversight of HarvestNet International

HarvestNet International is committed to modeling the accountability and oversight expected of all HNI partners. Therefore, HarvestNet has established a respected outside board of advisors who have been invited, and accepted the responsibility, to speak into the direction and operation of HarvestNet and its leaders. As of January 2014, the HNI oversight team includes: Alan Vincent (Outpouring Family International), Marc Dupont (Mantle of Praise Ministries), and Larry Kreider (DOVE Christian Fellowship International).

HarvestNet also maintains the HarvestNet International Advisory Board, which consists of various HNI partners from around the world. This advisory board meets regularly to pray and provide discernment and counsel into the work of HarvestNet. Please refer to section above on HNI Leadership and Governance.

Financial Integrity

HarvestNet International is fully committed to handling all finances with the highest level of integrity and modeling the financial commitments expected of all HNI partners. The HNI advisory board is involved in major financial decisions and partners are provided with an annual report of HNI finances. HarvestNet International is incorporated in the United States as a nonprofit religious organization—501(c)(3)—and all contributions are tax deductible under United States law.

Partnership Relationships

What does it mean to be a partner of HarvestNet International?

HarvestNet International is a family of individuals, churches, ministries, and marketplace businesses who are laboring together to reap a harvest for the Kingdom. In Luke 5, the fishermen follow Jesus's instruction on where to cast their nets, and they received such a large catch that their nets could not hold it. They called for help from other boats to bring in the catch of fish. In the same way, HNI partners believe that Christ has a great harvest prepared for the Kingdom of God, and we must work together in the power of the Holy Spirit in order to reap the harvest.

HarvestNet is a relational network, but it is about much more than enjoying relationships with one another. We enter into relationship unto a common vision: to work together to bring in the harvest. HarvestNet provides a way for partners to connect together to enhance and expand their effectiveness to advance the Kingdom through sharing resources and encouraging, equipping, protecting, and strengthening one another. HNI partners enter into relationship, not for what they can receive but to serve and become generous toward God. Partnership in HarvestNet requires a commitment from each partner to sow resources into each other and into our cooperative work as partners. As we join together in obedience to the Holy Spirit, the Kingdom of God advances.

HarvestNet also provides a place for accountability as a means of encouraging the health of its partners. We are supportive of those that desire to connect to HarvestNet without it being the primary source of accountability. Therefore, while some partners relate to HarvestNet as their primary (or only) accountability,

some partners remain primarily accountable to their denomination or board of directors, supplementing that relationship by joining with HarvestNet for relational or spiritual accountability. In those cases, HarvestNet will serve as a secondary place of accountability and work collaborative with a partner’s primary accountability to encourage health in the life of the partner. HarvestNet does require that all partners have clear oversight and outside accountability for them and/or their leadership team.

HarvestNet International Offers Three Types of Partnerships

Organizational

Partners

Individual Partners

- Church or Ministry Partner
- Marketplace Partner

- Associate Partner

Organizational partnership is for churches, businesses, and ministries (501c3) who are committed to relating to HarvestNet as an entire community. When an organization joins HarvestNet, it represents a commitment of its leaders and all its members (employees and/or congregational members) to other HNI partners.

- **Church and Ministry Partnership:** We believe churches and parachurch ministries (501c3) should be self-governed, but it is natural for healthy churches and ministries to want to be linked to others around a shared vision. We are committed to the “one church” in each region and encourage each HarvestNet church or ministry to fully participate in what God is doing in their region. Through HNI partners around the world, we can impact nations with strategic ways with wise use of resources. When a local church or ministry joins HarvestNet, their leadership (pastors, elders, board members, executive team, etc.) commits to relationship with other HNI leaders, investing personally in the vision of HarvestNet, and involving their entire congregation or ministry staff in HarvestNet for the purpose of mobilizing, empowering, and equipping the body of Christ to advance the Kingdom locally and globally.
- **Marketplace Partnership:** We believe that the marketplace is one of the most significant places of Kingdom advancement. Marketplace and business leaders (and their businesses) partner with HarvestNet to be equipped and strengthened as they provide a manifestation of the Kingdom in the world’s marketplaces. They provide significant leadership to strategic partnerships that transform communities, regions, and entire nations. When a marketplace leader joins HarvestNet, they commit to relationship with other HNI leaders and investing personally in the vision of HarvestNet for the purpose of mobilizing, empowering, and equipping the body of Christ to advance the Kingdom locally and globally.

Individual partnership is for individuals who desire to connect with HarvestNet but their church, ministry, or marketplace business is *not* an organizational partner.

- **Associate Partnership:** HNI Welcomes partnership with any individuals who are in ministry, missions or the marketplace who desire to partner for harvest. HarvestSENT missionaries or fivefold ministers are also considered associate partners.

Benefits of Partnership

1. Spiritual and relational accountability through HNI partners and leaders throughout HarvestNet

- These relationships create an atmosphere where spiritual, relational, and personal missions are fulfilled. HNI leaders are available to assist partners with their personal growth and development.
- 2. Opportunities to receive Ephesians 4 ministries, equipping, leadership development, organizational consulting, and other expertise as needed
- 3. Access to resources such as books, CDs, DVDs, podcasts, and other equipping materials
- 4. Access to financial and fundraising services, vendors, and other operational or support resources
 - HarvestNet has specifically designed some services to meet the needs of small nonprofit ministries or partners with an international presence. Please inquire with the HNI office for more details.
- 5. Access to vendors or organizations for services
 - Examples: insurance, publishing, legal counsel, accounting, financial planning, church planting, missiology, consulting, coaching, business development, etc.
- 6. Relationships and cooperation with other partners that offers the capacity for high-level impact in international outreach by providing opportunities to reach across cultures and impact nations with the gospel through strategic long-term initiatives and short-term missionary outreaches
- 7. Opportunities to participate in strategic Kingdom actions that would never be achievable without the joint resources and commitments of each other
- 8. Opportunities to utilize one's gifts, talents, and support services with other partners
- 9. Opportunities for personal ministry and healing prayer
- 10. Opportunities to participate and expand efforts in the restoration of the tabernacle of David
- 11. Opportunities for training through the Kingdom Ministry School, Gateway House of Prayer, conferences, events, and each other

- 12. Opportunities to send or be sent out as a missionary or fivefold minister
 - Please inquire with the HNI office about the specifics of HarvestSENT.
- 13. The opportunity for licensure or ordination
 - Please view the Credentialing section for details or inquire with the HNI office.

General Commitments of Partners

1. To agree with and fully support the HNI statement of faith
2. To agree with and fully support the vision, purpose, and values of HarvestNet
3. To serve as an ambassador for the vision and values of HarvestNet and to be active in helping to establish and carry out the goals and strategies of the network
4. To build strong, robust relationships within the HNI family and to connect others from your church or ministry into the HNI family
5. To build relationships that assist in fulfilling the values and mission of the network
6. To seek relationship and cooperation with HNI partners for international outreach and missions
7. To establish and cultivate healthy relationships with other churches and ministries in the local region and partner with them in the harvest
8. To maintain an accountability relationship with an overseer within HarvestNet and welcome accountability for ministry and life
9. To model servant leadership that is full of integrity in all areas of life
10. To adhere to biblical moral standards and standards of sound doctrine

Financial Commitments of Partners

The Bible says a surprisingly great deal about money and possessions. Our attitudes towards finances and our use of the resources God has given us reveal deeper heart issues that are the most important. HNI partners wholeheartedly commit to:

1. Stewarding all that God has entrusted to us and operating in a way that demonstrates godly integrity, providing a framework by which God can pour out even more blessings into His Kingdom through HarvestNet International
2. Conducting financial operations (and all operations) in a manner that reflects biblical truths and practices of integrity and accountability
3. Knowing, understanding, and complying with the fundraising standards outlined by the Evangelical Council for Financial Accountability at ecfa.org
 - Communication with truthfulness
 - Appeal for funds without creating unrealistic donor expectations of what a gift will accomplish
 - Honor all statements made in appeals about the use of the gift
 - Advise a donor appropriately of the fair market value of a gift given in exchange for a good or service
 - Abstain from using tax-deductible gifts to pass benefits to any individual for personal use
 - Acknowledge property or gifts in kind without a statement of the gifts value
4. Having financial oversight by a responsible board of independent participants, who review financial policies and procedures and provide objective guidelines for use of funds
5. Adhering to the biblical principle that a commitment to relate and work toward a common vision should be evidenced by a strong financial commitment, rooted in a spirit of generously honoring one another
6. Adhering to the biblical principle that it is healthy for each local church or ministry to be sustainable in its own local context and not dependent on outside resources for long-term health (local sustainability, local responsibility, and local accountability)
7. Adhering to the biblical principle that believers with an abundance of resources should share those resources generously with believers that lack resources
8. Adhering to the biblical principle of giving materially to those who care for us spiritually
9. Adhering to the biblical principles of sowing and reaping, generosity, and honoring spiritual leaders
10. Adhering to the tithe as a Biblical principle and to encourage one another to be diligent in the giving of tithes, both personally and as a ministry or business
11. Understanding that partners represent many different types of economies, currencies, and financial means
12. It is expected that partners will honor their commitment to HNI by giving financially as they are able to support the international mission work of HNI. Partners living in the US are encouraged to give from 1-2% of their income.

Financial Services For Partners

It is our desire to be good stewards of all that God has entrusted to us and to operate in such a way that demonstrates our commitment to godly integrity, providing a framework by which God can pour out even more blessings into His Kingdom through HarvestNet. We are pleased to be able to offer a variety of financial and accounting services that we trust enable our partners to thrive, grow, and be fruitful in the Kingdom. We are committed to providing these services as efficiently and effectively as possible. Please contact the HNI office for details.

- **Services for nonprofit church or parachurch ministries in the United States**

HarvestNet recognizes that smaller churches or nonprofit ministries may desire access to services or efficiencies that are cost prohibitive because of the size or capacity of their ministry. Therefore, HarvestNet offers specific financial services for partners who already have official nonprofit or church status in the United States.

- **Services for international partners**

HarvestNet recognizes that the needs of international ministries can be unique and challenging. Therefore, HarvestNet offers specific fundraising and accounting services to assist international partners who possess official nonprofit status in the United States or their home country.

- **Services for SENT partners**

HarvestNet offers specific fundraising and accounting services for HNI partners who are sent out by HarvestNet as missionaries or fivefold ministers.

Health and Accountability of Partners

- **Personal Health and Accountability:** HarvestNet International affirms that healthy marriages and families of leaders are essential to healthy churches and ministries. To that end, HarvestNet promotes and encourages healthy marriages and families. Divorce is a great evil that not only destroys marriages and families but also ministries, churches, and businesses, because it denies the redemptive power of Jesus to heal broken persons and relationships. Initiating divorce for grounds other than infidelity (Mathew 19:3-10) and abandonment (1 Corinthians 7:10-16) is a serious moral failure. Partners who are victims of divorce should inform the HNI board who will seek to act redemptively on a case-by-case basis, giving due consideration to the counsel of the church elders or ministry board.

Healthy familial and ministerial relationships also require appropriate accountability to one another within the context of biblical boundaries. When those boundaries are violated, the HNI board will engage in the redemptive process provided by God in the Bible (Mathew 18:15-20, Galatians 6:1, Luke 17:3, 1 Corinthians 5:1-5), seeking to restore persons to their appropriate function within the Kingdom of God.

- **Organizational Health and Accountability:** The New Testament modeled corporate accountability of one church to another (Acts 15) and of churches to apostles (1 Corinthians 4:14-21) while recognizing the responsibility and integrity of each church to arrange its own oversight and governance (Acts 20:28-35). Such principles promote healthy churches and ministries, healthy businesses, and healthy relationships.

HarvestNet International expects each partner organization (church, ministry, or marketplace partner) and SENT missionary to arrange clearly defined oversight and outside accountability. Although HarvestNet does not exercise central government over its various partners, by entering into partner relationships, HarvestNet accepts some responsibility for the health of its partners. In light of this, HarvestNet expects partners to inform their oversight teams and the HNI board of any serious issues and to invite their oversight and HNI leadership into a place of discernment to make recommendations regarding those issues. Such issues include, but are not limited to, the following:

- Serious moral failure within the leadership team, the elders, or the board
- Heresy or false doctrine within the leadership team, the elders, or the board
- Misappropriation of funds
- Intractable conflict between the primary leader(s) and the leadership team, the elders, or the board
- Intractable conflict amongst the leadership team, the elders, or the board

- Persistent failure of the primary leader(s) to fulfill the responsibilities of their office
- Dissolution of the church, ministry, or business
- Involvement in activities that could damage the integrity of the partner or HarvestNet
- Withdrawing of the partner from HarvestNet

In these or similar situations, the HNI board (or its representatives) would work alongside the partner to resolve the issue redemptively and legally as required. In situations where leadership is functioning in a healthy manner, the HNI board would only need to be informed. In rare situations and at its own discretion, the HNI board would request involvement in the resolution of the issues. In such situations, partners should receive and cooperate with the HNI board (or its representatives) in a spirit of godly submission for the benefit of the organization (Hebrews 13:17). In all situations, HarvestNet will honor the biblical principles described above.

Credentialing of Partners

HarvestNet International offers credentialing (licensure or ordination) for partners. Specifics on credentialing can be obtained on the HNI website or at the HNI office.

HarvestNet believes that credentialing an individual is a significant commitment of both the individual and HNI leadership and should not be entered into lightly.

In order to provide suitable accountability, HarvestNet maintains the prerogative to revoke a license or ordination credential at any time, at the sole discretion of the HNI board. Before doing so, the HNI board will normally seek and consider the counsel of the church elders and/or oversight board as part of the discernment and decision-making process. Matters such as, but not limited to, the following may constitute grounds for the revocation of license or credential:

- Serious moral failure
- Intransigent insubordination
- Heresy or false doctrine
- Inability to fulfill the requirements of one's office
- Dismissal from one's office based on suitable biblical grounds
- Inappropriate ministry activities that damage the integrity of the partner
- Leaving or renouncing the network

When leaving a church, ministry, or network, HNI partners may hold or transfer their credentials to another church, ministry, or network at the sole discretion of the HNI board and only when in good standing with HarvestNet International.

HarvestNet International Policy on Liability and Professional Boundaries

Protecting your Organization

1. HNI advises each ministry or organization to adopt a policy on professional boundaries that provides for real accountability for the leader(s) as well as anyone who ministers to people in vulnerable, emotional or suggestible situations.
2. HNI partners with itinerant ministries or who do not work as part of a larger ministry or organization must adopt a policy on professional boundaries that will establish clear oversight and accountability for themselves and their family.
3. HNI encourages people in governance positions in any HNI-related organization to ask direct and difficult questions to ensure that all leaders and those ministering to potentially vulnerable people maintain the highest standards of professional ethics. HNI encourages those in governance to take the refusal to answer questions or evasive answers to legitimate questions as indicators of possible problems.
4. Each organization partnering with HNI must carry its own liability insurance policy. HNI does not assume responsibility for the behavior of partners and partnering organizations. Partners of HNI are not considered “members” in any ecclesiastical or legal sense of that word. HNI does not carry a common insurance policy that covers partners or partner organizations.
5. Every HNI partner must comply with the requirements of background/criminal checks required by the governing authorities of their state or nation. These checks must be kept on file and be kept current as required by law. HNI advises partners and partner organizations to take criminal records or records of professional misconduct seriously, even if in their personal opinion that caution is no longer necessary.
6. HNI leaders, partners and partner organizations must always respect the authority of a parent or legal guardian when ministering to minors. They must secure and file written permission for all travel or overnight events. They must ensure clear communication with the parents and guardians.
7. All HNI leaders and partners must maintain an active membership in a local church where they submit to the care and authority of that church’s leadership.

Protecting yourself and those you lead

8. HNI leaders and partners must ensure that any counseling, mentoring, prayer ministry, or other forms of ministry with anyone of the opposite sex done by themselves or those under their supervision is conducted with the highest standards of personal and professional ethics with full and open accountability. HNI advises that men generally minister to men and women to

women, or that people minister in multi-gender teams, in order to avoid any form of intimate relationship with someone of the opposite sex contrary to the Bible.

9. HNI leaders and partners must take proactive steps to ensure that inappropriate relationships with people, including but not limited to sexual relationships, do not develop in their lives. These steps may include such things as avoiding all counseling, mentoring, prayer ministry or any long intimate discussion behind closed doors with someone of the opposite sex, having office doors with windows for transparency, or having others present in the building during ministry appointments – just to name a few.
10. For HNI leaders and partners, traveling alone (short or overnight) with someone of the opposite sex (except one's spouse or family) is not permitted.
11. HNI advises its leaders and partners not to share private information such as personal secrets, or sexual, family or employment concerns with whom they minister. HNI encourages people to process these matters with those who give them pastoral care and oversight.
12. HNI leaders and partners must take care and avoid any touch, affection, jokes, electronic communication or comments that could be misinterpreted to be sexual in motivation.
13. HNI leaders and partners should not arrange meetings with someone from the opposite sex alone in a home and should avoid public appearance of similar nature. HNI advises that appointments be done in a professional place where people will see that the discussion is ministry related and not intimate or secret. HNI encourages leaders and partners to hold private conversations at an office or place of ministry rather than a restaurant, park or similar place where inappropriate intimacy might develop.

For HNI employees or those serving in official HNI positions of leadership, violation of these standards will be considered as grounds for immediate dismissal.

Come Be a Part of HarvestNet International!

If you sense the need to connect with others who have the same goals and values that we have discussed here, then HarvestNet may be a good fit for you. We invite you to explore partnering with us by attending any of our events or by giving us a call to discuss what a connection with HarvestNet would look like for you. If you are ready now to partner with HarvestNet, please visit HarvestNetinternational.com to complete an application online. We'd love to welcome you to the family.
